DEMOCRAT
AMANDA HOWLAND FOR STATE REPRESENTATIVE

ON THE ISSUES: Amanda Howland vs. Ed Sullivan, Jr.

- Work to lower property taxes for Lake County homeowners and find more effective and efficient ways to fund our schools
- Lead coordinated effort of state, county and local officials to reduce traffic congestion and solve other pressing problems here in the 51st District and throughout Lake County
- End business as usual in Springfield and clean up state government
- Will always represent the people and never hold two elected, taxpayer-funded jobs
- As a full-time tax assessor, he will continue to control property tax assessments
- Continue gridlock in Springfield and here at home by blaming the other party for not getting things done
- Continue to take thousands from big business lobbyists and the utility and gambling interests while double dipping at taxpayer expense
- Continue holding TWO taxpayer-funded salaries every year as state representative and full-time Fremont Township Assessor

As State Representative, **Amanda Howland** will listen to the citizens of the 51st District because she believes in people-powered government. Now more than ever, we need a full-time leader fighting for real property tax relief, school funding and clean government. We need Amanda Howland on our side in Springfield.

"Howland is endorsed for her solid grasp of the issues, intelligence and fresh perspective. If elected, Howland won't blindly toe the party line and will provide the challenge Democratic leadership needs."

"It is our belief that Amanda Howland will best represent the citizens of the 51st District...Amanda Howland is about making our streets safer and providing law enforcement officials the necessary tools to get the job done."

- Illinois State Fraternal Order of Police

"We're excited about Amanda Howland. As an Illinois State Rep., Ms. Howland will fight for renewable energy, energy conservation, clean cars and mass transit as ways to halt global climate change. She'll work to protect our remaining natural areas and endangered wildlife. Amanda rejects urban sprawl and the kind of overbuilding that could easily ruin the natural character of Lake County."

- Sierra Club
